43. 彼と彼女

...together
with all
these
people...

It'd be
living
here

...and
falling in
love.

...and
meeting
Kagura
-then-

...that
few
last
year...

I would
have never
imagined

This's a
sketch of
her

Her beauty and
purity's been
burned into my
mind, man!

This

His

Even though
I've only met
her once, I
already know
we'll be a good
match.

Don'tcha
think it fits?
Just by
looking at
her?

What
??

uh?

I dunno her real
name, but in my
heart, I've been
calling her
Reika-san.

That was
my sign,
right?

she looks
EXTREMELY
familiar...
where have I

The
person...

Y'know, I felt
sparks as soon
as I saw her

S... she's
already
seeing
someone.

That's it!
That's my
only way
out of this
mess!

how do
you
know
that?

What
did
you
say-I?

Th... that's...fgwah!
because
uh...uh...

HOW DO
YOU
KNOW
THAT!?

What!?

Not a lie!

...y... yeah! I saw
her walking
down the street
with someone
who looked like
her lover!

Hehe,
don't you
worry
about
that!

Isn't the
skirt too
short?

okay,
dandy~

A perfect
high schooler
from every
angle!

Wow!

My old
uniform is
so happy~

A girl no
matter how
you look at
it!

You look
completely
different!

I won't
be found
out?

That is
just for
today.

I'm bad!
Oh, I'm so
bad!

But I never
thought
Shiratori-kun
would genuinely
be interested in
this, mad!

For his
sake.

And
for
mine.

It ends
today.

She
thinks
I'm some
kinda
weirdo!!

All that stuff
just spilled
outta my brain
before I could
even control it!

When
they
see

Reiko-san
hates me!!

Where did
he get
that idea
from, ?

Still
get a
shock!

まだ
挽回可能
!!

Normally,
she'd be
long gone.

Reiko-
san, I

...

I'm
sorry...

...so
sorry..

...I'm..

...your
feelings..

I...can't...
return...

There's
no way a
pretty
girl like
you'd be
single!

Well,
yeah, of
course!

But, right?
What if,
y'know?
Hahaha!

Man, of
course!
That only
makes
sense!

haha...

...

And I think my
feelings did
get through to
you...

...but, even if
I messed up,
I'm still glad
I tried.

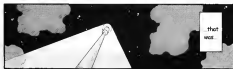

But,
well...

that
well...

Ain't had visitors here in forever

Yeah, so what about you then?

Nice first impression

There wasn't no "Do not enter" sign out there?

'Cause, you know -

I'm fine

...all the hard
times, the sad
times in life.

You just
kinda forget
about.

Give it
a whiff?

...so
how
'bout
it?

Yeah.

Something
like a
tranquizer

I could have
just said no
right there

I won't
force it on
ya...

But

Didn't like
smoking
either

I didn't have
any reason to
believe what
that girl was
saying

...that I
took one
anyway...

...went to
that old
school
pretty
often.

From
that day
on, I...

Lookin'
here.

Yo...

She was
always
there.

Want
another
one?

You're
bored
too, huh.

"cough"

amused her

it's always
hard for first-

We are telling you
all in order you

I'm really

was starting
to develop an

that girl.

Um

no...

knew nothing
about that
girl. Nothing.

Then again,
she ever
actually go to
class?

You just
call me

It's just
you and me
that comes
here.

Your and
class
well... yeah.

But even
name...

Who needs
names?

But when I
asked
about it
before...

Isn't that
good
enough?

...and I just
call you "you".

...that's how
she
deflected
the
question.

the
future?

like she
really didn't
want me
poking my
nose into her
life.

Well, you
know the

Well, we only get one life!

You ARE young...

It's okay... isn't it?

well, so-rry

... right?

I mean, you don't hafta if you don't wanna.

... but I couldn't

There was so much I wanted to ask her

I figured she'd disappear...

If I got too close to her...

June

Going
there was
now a daily
thing

Looks like
it's gonna
rain...

This was the first time she chose to talk about herself

Okay

Let me tell you a story?

huh?

Maybe kinda boring -

That piece I was whistling before.

.....

Piano...

A long time ago, I played that on the piano...

...everyone expected such great things outta me...

But...

but I used to be a pretty good pianist.

Used to win contests and all that.

Even if you'll believe me...

So that
happened.

but I couldn't
handle the
pressure.

that
wasn't
because I
hated it

but

You know
I was
happy

'Cause of
that, they let
me stop

so that's
why I really
wanted to
stop.

I loved
playing
it.

but I forgot
about
something
important

I thought
it'd be all
good and
whatever

When they
took the
plane away
from me...

things
went real
bad from
there.

My parents gave
up on me and
wouldn't even
talk to me any
more.

Everybody at
school knew I
slit my wrists.

My
friends all
ran away.

In
the
end.

...there was
nothing else
left.

...left for
me to go

There was
no place

...might have
misunderstood
her

Maybe
I

I'm glad
you said
something
about
yourself

Meh...

...why did I
talk about
that...

ha
ha...

I, uh...

Eh?

Sorry for
throwing
that at you...

So she really-

I've
been...

Who would
come here
to enjoy the
mold in this
place?

You said you
liked the
ambiance...

So you
are an
idiot!

...to
see
you!

coming
here...

You didn't get
that, so that's
why you're an
idiot

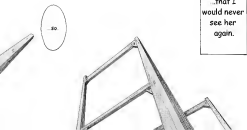

So what, is
it pointless?

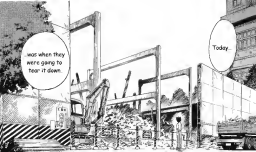

...and
ever
since...

I want to
be those
things for
you...

Don't Get Close

...she really
was a ghost.

Maybe...

Didn't you
see the
signs, idiot?!

If this
bright
sunshine

...is the
light
shining
from your
heart...

Eh?

Momono
Megumi...

...

...then
that's
all I
need

That
light
